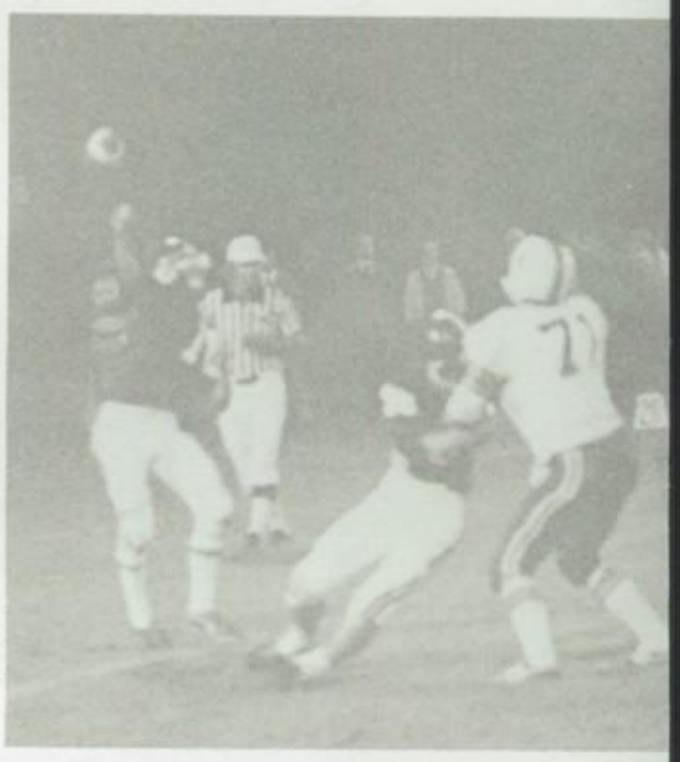
Today our team football picture was taken. Every member had his individual picture taken. We then got to work out in our uniforms. All of this activity caused us to look ahead to Homecoming.



Our football team could not do without the diligent efforts of the three coaches. Coach Galloway instructs the defensive backfield. Head Coach Lawrence works with the line. Coach Maclin coaches the offensive backfield.

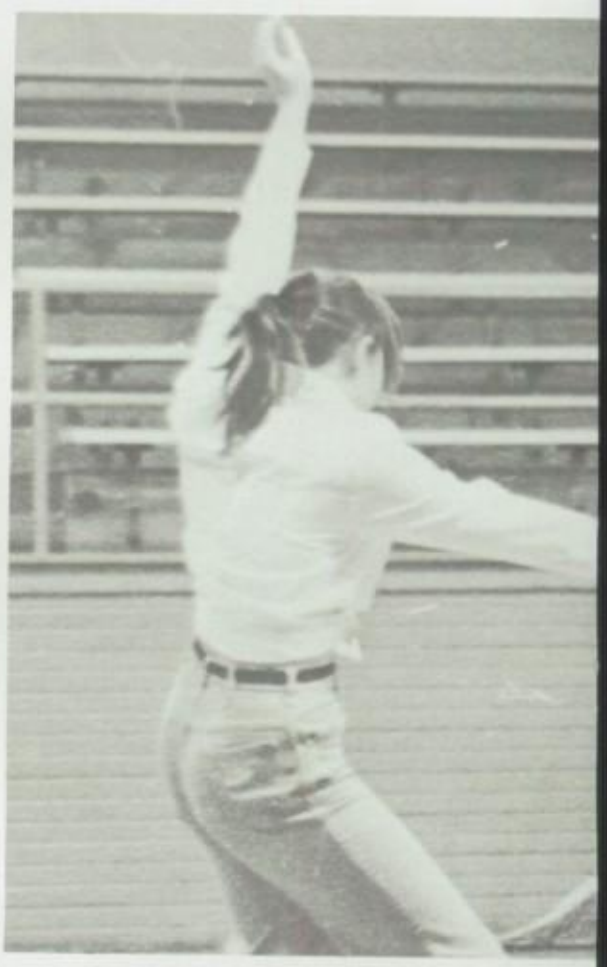
November 4, 1974

Today was 50's day and what a blast! All of us either had our hair pulled or slicked back. Faded jeans, T shirts, and bobby socks were the "in thing" We had a great pep rally complete with Sophomore skit and donut race.

November 5, 1974

I could not believe so many talkative girls could suddenly become so quiet. But with the "Mr. Irresistable" contest today, I learned that girls can keep their mouths shut. Mr. Irresistable was after the heart of every girl. After



a full day of trickery and persuasion, Carroll Owen proved to be Mr. Irresistable capturing 27 hearts. What a day — so nice and peaceful!

November 6, 1974
Our true character appeared today. We were allowed to dress like tramps— as sloppy as we pleased. Also I was amazed by the viciousness of our girls. We had the Inter-Fifi football game (massacre)

during Activity Period the Soph and Sr. girls were paired against the Fr and Jrs. I saw girls kicking, gouging, and tackling one another in this "friendly, touch football game" There will never be another one like it! Tomorrow's jersey day. Hope it's calm.

November 7, 1974
I just got back from the bonfire I had the best time around the fire—sure was glad I still had my jersey to keep me warm. The carwash was fun with everyone trying to see who could make the biggest dent. After the carwash I went inside for the Slave Auction between the Homecoming Court and the football players. I got me a slave for the whole day for only $1.00. Some paid as little as 4¢ or as much as $7.00.

November 8, 1974

This morning was awful. I had to get up at 5 so I could be at school by 6 to have breakfast with the football players. It really wasn't too bad; the Cheerleaders and Rebel Girls fixed a scrumptous meal. I like it when the

Awards were given to the coaches and Senior players. Later today the Freshmen, Junior, and Senior skits were presented at Activity Period. John Williams was chosen as Mr. Homecoming for his great cheerleading abilities. I am just about pooped!

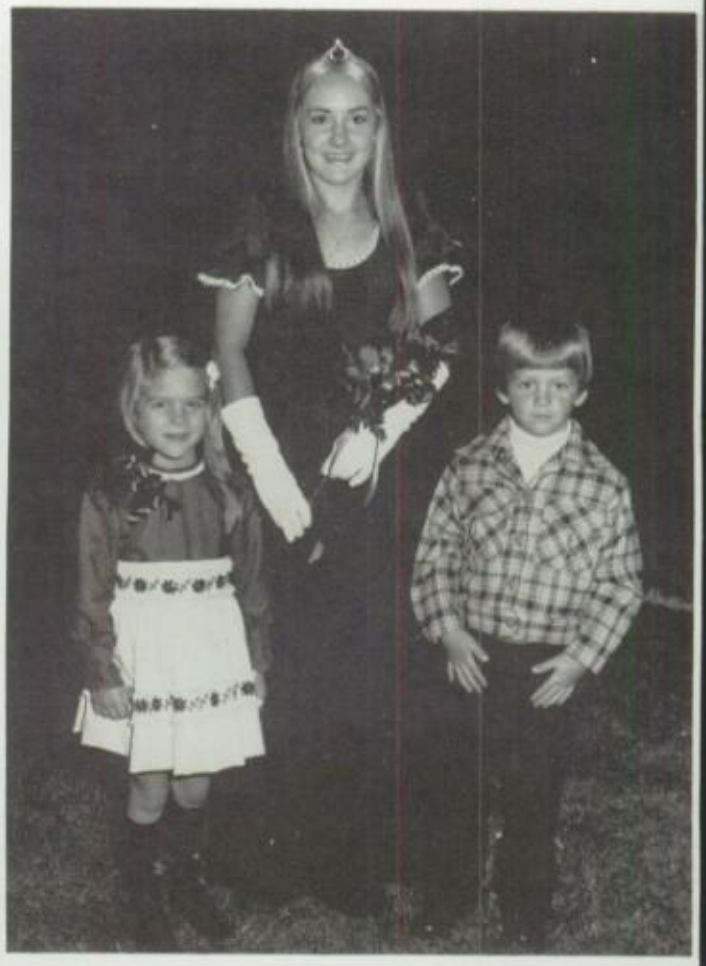
Sheri Whitlock was elected as a representative from the Freshman class for Homecoming Queen. She is the daughter of Mr. and Mrs. Kyle Whitlock of Millington. Her escort was Carrol Owen.

Emily Boatwright was another representative who was elected by the Freshman class. Her parents are Mr. and Mrs. Leroy Boatwright of Millington. Escorting her was Grady Vaughn.

One of the Sophomore candidates was Stephanie Walker. Stephanie is the daughter of Mr. and Mrs. Doug Walker of Atoka. She was escorted by Harold Carter.

Jan Strong, last year's Homecoming Queen, returned to crown the new Queen. She had as her attendants Dana Walker, as flower girl, and Greg Leggett, as crown bearer.

Another Sophomore candidate for Homecoming Queen was Melissa Bryant, daughter of Mr. and Mrs. Sherman Bryant of Arlington. Paul Pruitt was her escort.



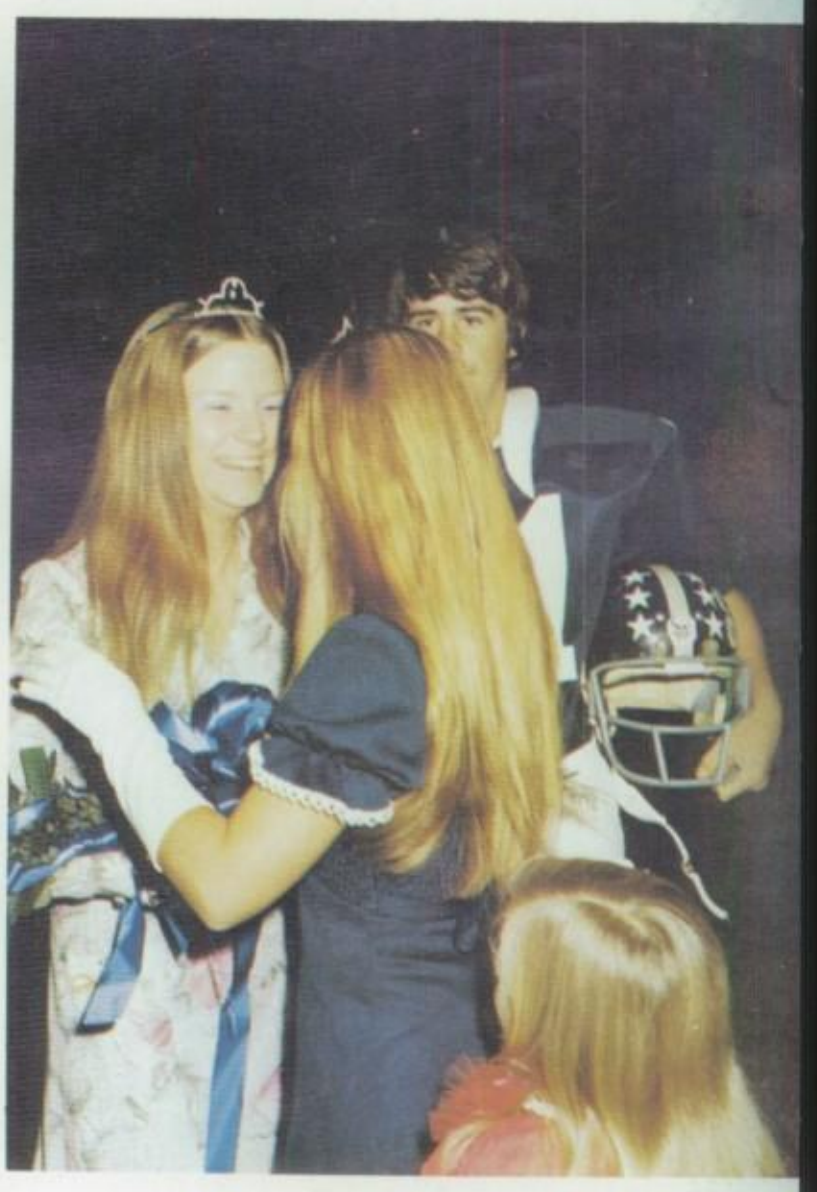
Pam Buzinki was selected to represent the Junior class. She is the daughter of Mr. and Mrs. George Buzinki of Millington. Her escort was John Williams.

The other Junior candidate was Melonie Sain. Melonie is the daughter of Mr. and Mrs. George Sain of Rosemark. She was escorted by Bobby Blankenship.

The third Senior candidate for Homecoming Queen was Lisa Sartain. She is the daughter of Mr. and Mrs. Wayne Sartain of Arlington. Her escort was Mickey Sartain.

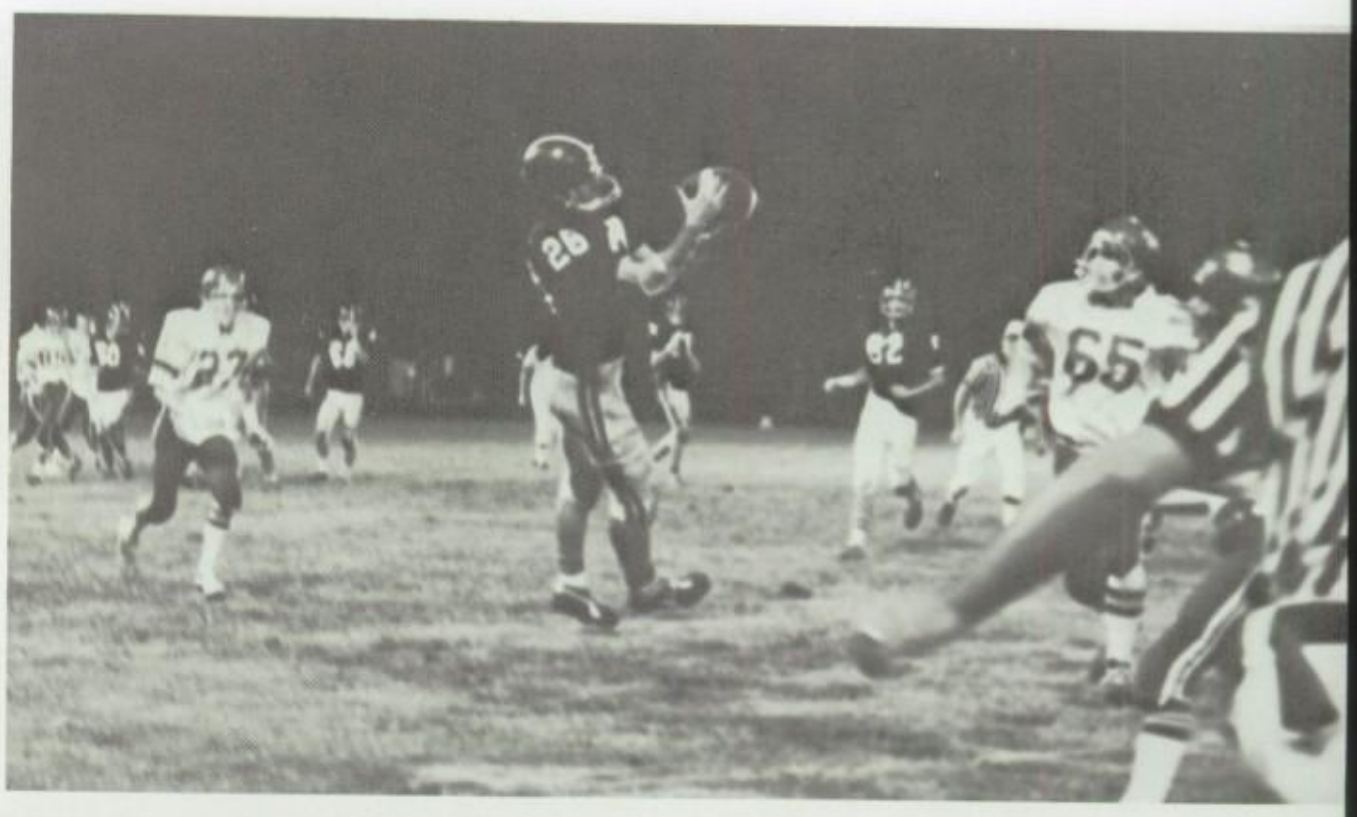
Susan Bomar was elected to represent the Senior class. Her parents are Mr. and Mrs. Bobby Bomar of Munford. Escorting her was Ricky Forbess.

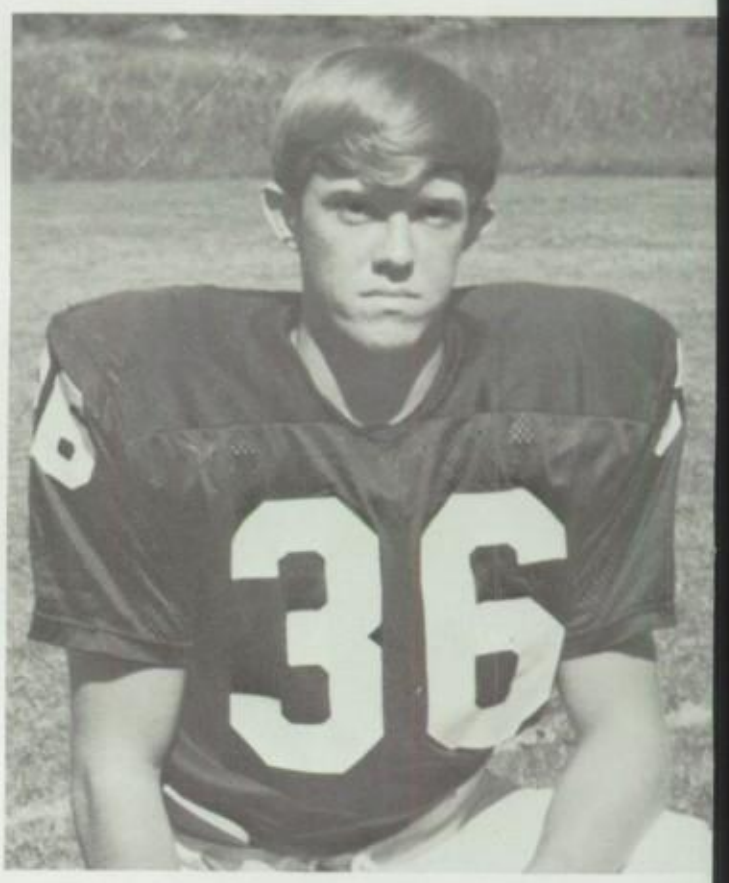
Another Senior candidate was Laura Boatwright, daughter of Mr. and Mrs. Leroy Boatwright of Millington. She was escorted by Mike Wiseman.

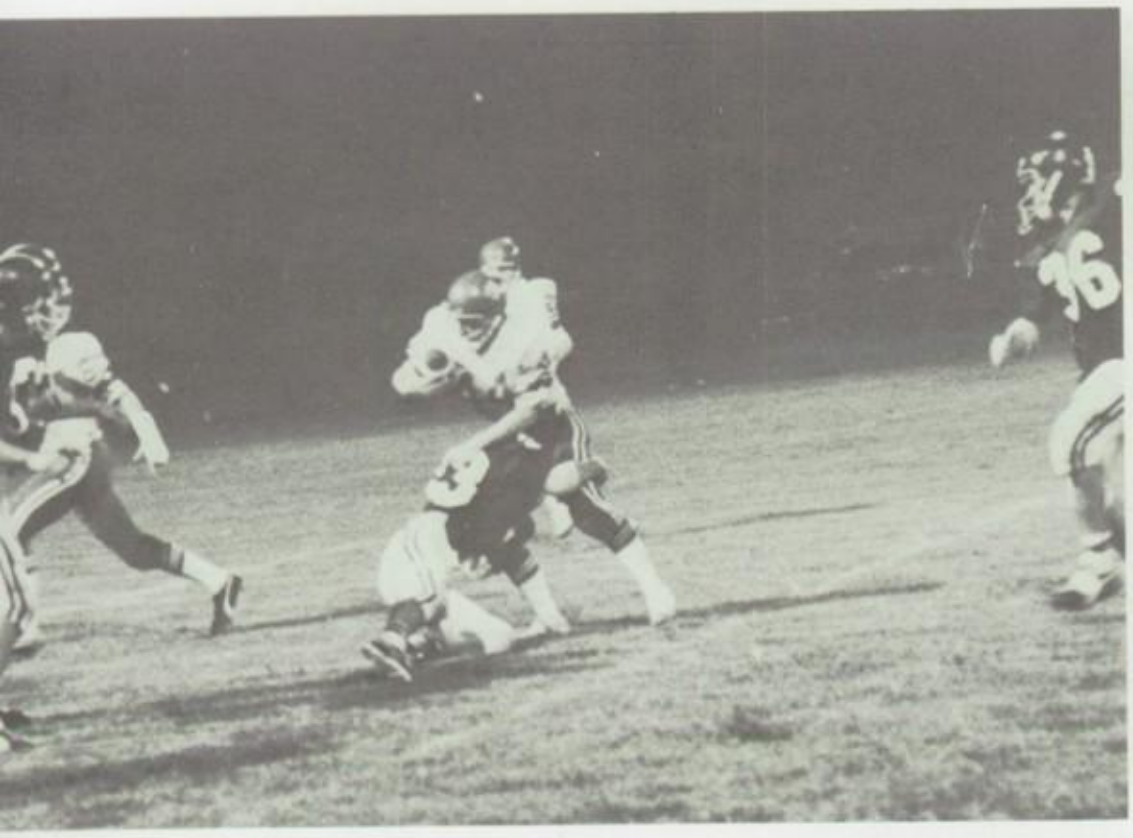


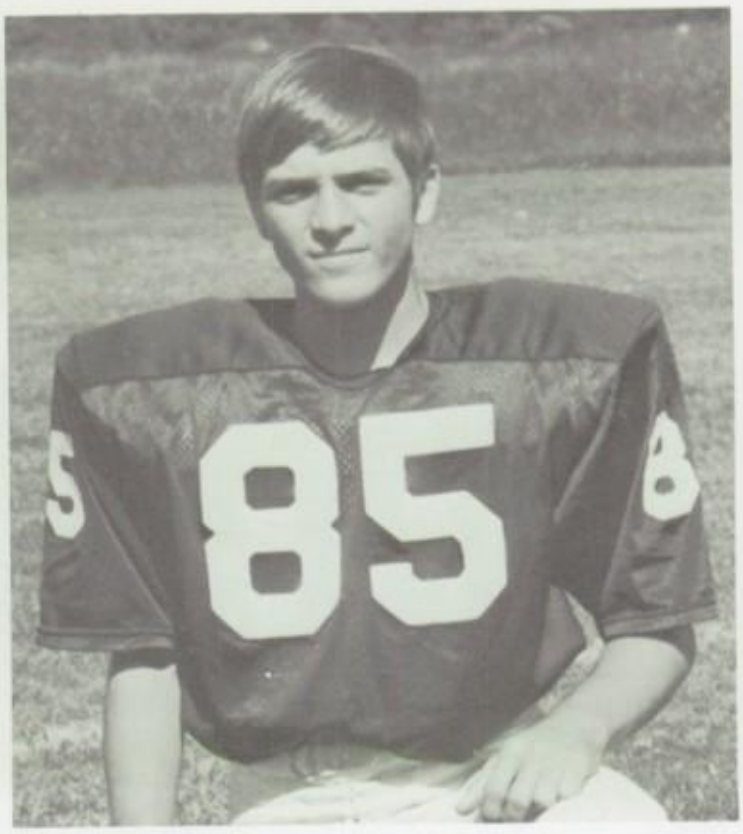
Susan Bomar was selected by the football team to reign over Homecoming festivities as Queen. Susan is a seventeen year old Senior, who enjoys riding horses and skiing. She has been a cheerleader for the past two years and an active Pep Club Member. She was selected by her classmates as Best All Around. Susan plans to attend a business college for a year before she goes to work.

November 8, 1974
I just can't believe how great the Homecoming game was. Four Senior players- John Williams, Harold Carter, Roger Perkins, and Tony Vaccaro; made touchdowns, making the score 28-0 over Desoto. Our final record was 4-6-0.









November 9, 1974

Well, the Homecoming dance wasn't as fantastic as I thought it would be. The decorations and the food were fine. But the band, Interstate 55, will always be remembered for blowing amplifiers, fuses, and eardrums. That organist was a real fruitcake!

November 11, 1974
When I think back, I realize that our Homecoming would not have been a success without the help of the Pep Club. The Pep Club organized the ceremony, decorated the gym, and cleaned up afterwards.

Dedication

This diary would not be complete without expressing our gratitude to a lady who has enlightened the lives of many Rosemark students. Her contributions to the school include her time and effort to the sponsorship of the Junior class and the National Honor Society, her genuine concern for the students, and her tart words of wisdom. As a result of these qualities, she has won the respect of students and teachers alike.

She has been more than just a sponsor or math teacher, she has been a friend to all. She is a wonderful woman who seems to enjoy her work. She possesses a sense of humor to help us "hang on" to a fragment of hope in difficult times. All of her students will surely remember her unique determination to make life a bit more bearable, and we may even remember some of her pieces of philosophy—given free of charge.

Thank you, Mrs. Catherine Shelton, for helping us to seek the silver linings and for making "The Year" all that it could be.

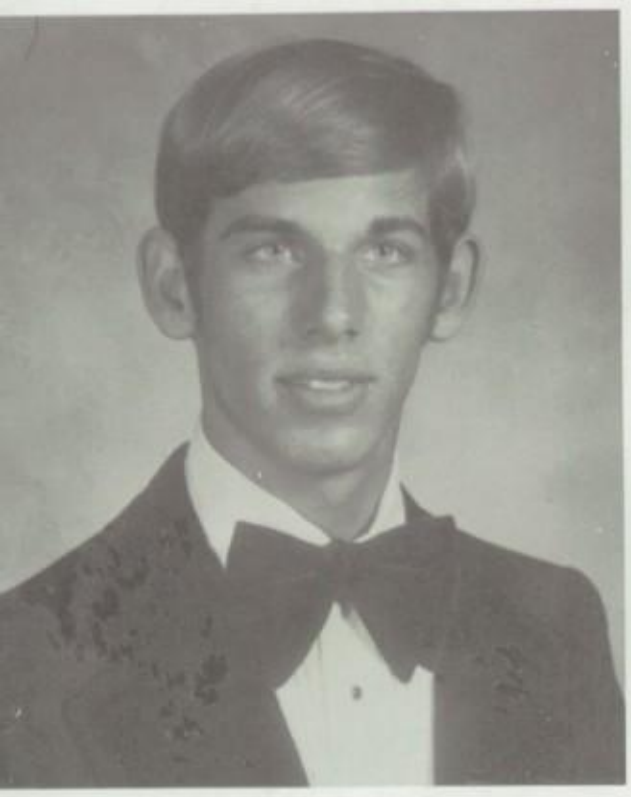
EDITORS' NOTES



The 1975 REBEL is more than a book. It is memories of the past and hopes for the future, put in words and pictures. This yearbook consists of a part of each person who contributed to it–Mrs. Martin, staff members, photographers, artists, faculty and the student body. We hope that our many efforts in creating this yearbook present to the student body and faculty a real piece of R.A. life that will be remembered for years to come.

Jeanell,
I can't believe that finally we've graduated. It seems like just the other day we were playing dumb little games. Even though we haven't been as close & still think of ya as one of my good friends. Well good luck & Ole Miss. See ya

Love,
Norma
